

## Do you want to have a big impact on health?

***The John Chalmers Clinical Research Fellowship supported by Servier could be your next big career step***

*At The George Institute, we are focused on improving the health of millions of people worldwide. As a medical research institute affiliated with leading universities and with projects in approximately 50 countries. We currently have a unique opportunity for two outstanding postdoctoral clinical researchers to have a real impact on health in the area of cardio metabolic diseases including hypertension, stroke, coronary disease, renal disease and diabetes.*

*We are seeking two outstanding **postdoctoral clinical researchers** to have a real impact on health in the area of cardio metabolic diseases including hypertension, stroke, coronary disease, renal disease and diabetes. The research will be undertaken at The George Institute in Australia at either full time or part time (0.6 - 1.0 FTE) for a 2 year Postdoctoral Fellowship, valued up to \$150,000 pa. If you are interested in this opportunity, please apply online by following this link:*
